

**REMARKS:**

The title of the application as appearing on page 1 of the specification has been amended to put it in agreement with the title as given by the PCT administration.

Claims 3,4,6,7,8,11,12,16,17,18,19 have been amended, in particular to suppress multiple dependencies. Claims 23-28 have been added.

**CONCLUSIONS:**

Allowance of this application is respectfully respected.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "V. Lauer".

By Vincent Lauer, applicant pro se.
